for Nonprofits

At the Center, we believe strong nonprofits make stronger communities.

The Center for Nonprofit Advancement has created a **Board Match Program** to facilitate relationship building between interested individuals and organizations that are in need of new perspectives on their Board of Directors.

Step One:

Each interested organization must complete the attached application form. This form asks questions pertaining to your specific location, your mission focus, and what type of skills and personal characteristics your organization is looking to add to its Board of Directors.

Step Two:

Once submitted, all applications are reviewed by a panel that will select strong candidates for potential matches. If any additional information is needed, follow up questions may occur at this stage.

Step Three:

The Center will provide one to three prospects for nonprofits to review and consider, and will facilitate an introduction between the organization and the individual.

No timeline or match is guaranteed in this process. Formal board placement will be the responsibility of the two parties. The Center will check in quarterly during year one.

Fee:

FREE for all Center members
\$500.00 for non-members
